

SPLENDA® BROWN SUGAR BLEND - 1LB (2LB EQV) - RRP

Your oatmeal won't know the difference—and neither will your chocolate chip cookies. Use Splenda Brown Sugar Blend anywhere you'd use traditional brown sugar, and you can expect browning, rising, texture, moistness and molasses-like flavor in your baked goods with only half the calories and carbs per serving of full brown sugar. That's because half of the sweetness in Splenda Brown Sugar Blend comes from brown sugar, and half comes from Splenda Brand Sweetener (sucralose)!
